**ACTION**

# **WE BRING ALL CHRISTIANS TOGETHER IN OUR NATION**

We do this through the power of social media and technology to unite Christian voices so that they are heard at the national level. We work together to recognize the good works done by every day Christian heroes. We partner with organizations and people doing good works to build our nation up. We support all of those who would share in our faith and our goals of a healthy, strong, united Christian nation. The power comes from our Heavenly Father, but the responsibility is on each Christian to take ACTION to do what is right. God empowers Christians to do what is right, share what is right, speak to what is right and spread that message throughout America and the world.

## **HOW WE DO IT**

**Colossians 3:17** – *And whatever you do or say, do it as a representative of the Lord Jesus, giving thanks through him to God the Father.*

Throughout the history of Christianity, the power of good has been spread through the word. That word, that good news, is communicated through both word and deed, both speech and ACTION. How we speak as Christians to the world and how we act in the world is the example of our faith and the promise of what God can do in the lives of believers and in our nation. But, too often these days both words and actions are stifled by the largest social media platforms and media channels. The words and ACTIONS of Christians are censored, hidden, and ignored. We believe that spreading the word and living a Christian life through ACTION is the responsibility of every individual. We cannot allow those who would censor and stifle Christians to control the narrative or the conversation and expect results that will honor our Heavenly Father or promote a loving Christian world for us to live in.
