

*Blessings Through*  
**ACTION**

## From the Founder's Desk

At the end of September last year, God put it on my heart to bring all of the Christians together in our nation. I knew in that same moment that He would show me the way to do it. Through prayer and time spent in fellowship with Him it became clear He would lead and guide me. I also was assured in my heart that God would put the right people in our path and make it all work together for His Glory. And that was the beginning of a wonderful relationship with so many inspiring, beautiful, and talented people while we have been working to build "Blessings Through Action" and "Our Action Place". A place where we can

share God's love everywhere across this magnificent land that He has so graciously given us.

What we share here should be also tendered with mercy. Come here and know that accepting Christ and asking Him for forgiveness of your sins, means that even though we have all fallen short, and not one of us is worthy, He forgives us of our sins, and we too must unite to share God's love and forgive one another, leaving what is behind and building a stronger future in what lies ahead.

Blessings,
